First Reflections

In a thousand ways i come to God.
With a thousand names i name my God.

Alone It stands at the end and beginning.
Alone It stands or does not stand.

Without place,
Without name,
Alone It stands, or does not stand.
Yet within Its grace, I am.

In Its Self,
God seeking God
In Its Self,
God coming to God.
In Its Self,
God dwelling in grace.
In Its Self,
Seeing God in all things.
In Your Self,
May i know myself in You, my God.

OM tat sat

In this Joy.

Seeking for the end of seeking
To what have i come?
What have I named?
