

A dream was in love  
and so became a song

the full moon rose  
and sang to you in silence

=====  
OLEMA (Canyon of Coyotes)

Silent  
the doe's eyes  
and  
there  
a hawk

a deer barks

"yes they bark" assures the monk  
"And Fall is hot  
The tomatoes will last til frost"

Truth skitters

his stones dancing  
across the pond without sinking
